ATLANTIC AIR PRODUCTS MFG LLC

Engineered Ductwork, Venting & Exhaust Systems

Grease Duct • Special Gas Vents • Generator Exhaust • Spiral Duct • Specialty Exhaust Systems

Design & Specification Support

Application review, sizing & product selection for engineers & mechanical contractors.

Schebler Chimney Systems

Venting • Exhaust • Grease Duct

Boiler venting: UL 103 • Special gas vents: UL 1738
Generator & high-temperature exhaust: UL 2561
Grease duct: UL 1978 Listed / UL 2221 Classified
2-hour fire-rated systems; zero clearance to combustibles
Engineered freestanding stacks, induction fans & draft controls.

Ductwork Fabrication

Rectangular • Round • Flat Oval
Single-wall • Double-wall • Lined
Welded duct systems to 10 gauge

SPECIALTY DUCT & PANEL SYSTEMS

FläktGroup SEMCO

Acoustic/thermal panels.
Fire-rated partitions.
Modular rooftop duct systems.

Caswell Firesafe

Fire resistant duct systems.
UL Listed 2- & 3-hour systems.
Ratings available up to 4 hours.

VaughanAir

Rectangular kitchen exhaust.
Engineered underground duct.
DuraDuct systems.
A2L refrigerant enclosures.

CryoDuct

Prefabricated vent systems for MRI quench exhaust.

Kem-Tuff

FM Approved fluoropolymer coated stainless duct for corrosive exhaust applications.

KB Duct Kirk & Blum

Clamp-together & flanged industrial duct for dust, fume & mist collection.

AIRFLOW & SOUND CONTROL

ENERVEX

Induction fans & draft control systems.

Kinetics

HVAC duct silencers.
Acoustic louvers.

Air Balance

Dampers Louvers
UL Life Safety Products

Life safety & control dampers.
Louvered penthouses & roof hoods.

AIR DISTRIBUTION & ROOFTOP SYSTEMS

NanoSox

Fabric air dispersion systems.

Tuff Duct

Phenolic pre-insulated outdoor ductwork systems.

Hranec Roof Products

Curbs, rails & RTU adapters.
Duct stands & supports.
Custom rooftop fabrications.

Product coverage varies by manufacturer, product family & project location. Contact AAP to confirm availability.
